

Hydraulics Growth Plan Canadian 2019

Featuring
CrimplQ
Lineup!

PC125MRCD - SKIT Crimper w/PC125-Die Storage Drawer & 8 Dies (\$3,100 approx. cost)

Crimper Capability – B2 (up to -20) and SG (up to -16 four wire)

- Distributor will receive a credit memo for 50% of crimper when it ships:
 - Annual potential is \$9,900 in your \$
 - Initial stock order of \$3,100

PC125RCD - SKIT Crimper w/PC125-Die Storage Drawer & 8 Dies (\$4,700 approx. cost)

Crimper Capability – B2 (up to -20) and SG (up to -16 four wire)

- Distributor will receive a credit memo for 50% of crimper when it ships:
 - Annual potential is \$12,500 in your \$
 - Initial stock order of \$3,700

PC150-SKIT Crimper w/PC150 Die Storage Shelf & 9 Dies (\$6,500 approx. cost)

Crimper Capability – B2 (up to -24), SG (up to -16 four and six wire).

- With double angle dies the following:
 - * SG (up to -24 four wire)
 - * SG (up to -20 six wire)
 - * S6 (-24 six wire)

PC150H-SKIT Crimper w/PC150H Die Rack & 9 Dies (\$7,200 approx. cost)

Crimp Fitting Capability – B2 (up to -24) and SG (up to -16 four and six wire)

- Distributor will receive a credit memo for 50% of crimper when it ships:
 - Annual potential is \$18,600 in your \$
 - Initial stock order of \$4,800

PC200i-PSKIT CrimplQ w/Stand, 16 Station Die Holder, & 12 Dies (\$27,500 approx. cost)

Crimp Fitting Capability – B2 (up to -32) and SG & S6 (up to -32 four and six wire)

- Distributor will receive a credit memo for 50% of crimper when it ships:
 - Annual potential is \$50,000 in your \$
 - Initial stock order of \$14,700

PC440i-PSKIT CrimplQ w/ 14 Dies (\$40,500 approx. cost)

Crimp Fitting Capability – B2 (up to -32) and SG & S6 (up to -32 four and six wire)

- Distributor will receive a credit memo for 50% of crimper when it ships:
 - Annual potential is \$80,000 in your \$
 - Initial stock order of \$24,150

- The hydraulic distributor can remit for additional 50% of discount after one year by supplying documentation that minimum annual potential was met. Note – Growth Program is valid for Program (Continental Products) branded hoses only. This excludes Generic &/or Private Branded Hose.

Note - Prices shown are approximations for Crimper Packages. Various package options are available with expanded / reduced number of die sets. Pricing for PC200i & PC440i SKITS included Die Racks, most common dies sets & Bluetooth Calipers.
